Here's the final letter. Dionne - I will print it out for the file, but Scott/Dionne can you please make sure it goes where it needs to go for the electronic storage for 16?

Scott - Thanks for working on this - I spoke with Cheryl, and we just ended up adding in a short sentence and kept it brief. Hopefully, that will fit the bill.

Thanks.

Good morning all. I modified the Toomey letter to include the information we are preparing to send to Coplay Aggregates in their NON response letter. I'm not sure what else to put in. The NON response letter is in draft form right now. Please add, modify, delete or edit as you see fit.

As I'm sure you are all keenly aware, the issue regarding the PADEP beneficial use/MOA is far from being resolved, so it kind of complicates how to respond to this congressional.

Let me know if you have questions or need additional information. regards -----Original Message-----
